ANNOUNCEMENT

Compulsory distance learning 4th year General Medicine

Dear students,

According to the decision of the directorate of MF Comenius University in Bratislava we announce that **theoretical and practical teaching in 2nd Department of AIM, Heydukova 10, will be from 29.9.2020 until further notice take place exclusively in the form of compulsory distance learning according to assigned Time Schedule Winter Semester 2020/21 using MS Teams.**

Details are as follows:

- ✓ Notifications about planned distance learning will be sent to your „uniba“ e-mail inbox for acceptance one week in advance.
- ✓ Theoretical teaching will take place on-line on Tuesdays at 2:30PM. (*1 Topics)
- ✓ Practicals will take place on-line with the lecturer according to groups (*3 Groups 1-13) based on Time Schedule WS 2020/21. (*2 Time schedule)
- ✓ Delivered topics (theoretical and practical teaching) will be made available within the created group „LF UK Anaesthesiology“ in „Files“ in MS Teams.
- ✓ Information about teaching and dates of written and oral exams will be continuously provided through „Posts“ in MS Teams.

Thank you for understanding.

In Bratislava, 5.10.2020

Roman Zahorec, MD, PhD., assoc. prof.

Head of 2nd. Dpt. AIM MF CU

Guarant of Anesthesiology and Intensive Medicine
