2nd Dpt. Anaesthesiology and Intensive Medicine MF CU
Head of the Department: Roman Zahorec, MD, PhD., assoc. prof.
Phone: +421 2 32249 210, /104,

Defence of the thesis: first two weeks of February in the Winter Semester of 6th year

For thesis defence student should bring:

- 1x printed front page of the diploma thesis (not Diploma Thesis Proposal)
- 2x License agreement with the university (print from AIS)
- 2 x License agreement with Slovak Republic (print from AIS)
- Student prepares a presentation in MS PowerPoint in 16:9 format. Total length of the presentation is 10 minutes.
- It is needed to arrive 20 - 30 minutes in advance and copy the presentation into a PC.
- For thesis defence, grades from A to FX can be given.

Technical aspects:

A title of a diploma thesis is written without full stops. In English, words in titles should be capitalized except for conjunctions, prepositions and articles.

Your diploma thesis must be delivered in printed hardback-bound form to the supervisor in 2 copies.

An electronic PDF version of the thesis must be identical with the printed version.

The title of the electronic and PDF version of the thesis must be identical with the title in „Diploma Thesis Proposal“.
