Guidelines for writing Semestral work

Topic of the semestral project and dates:
Student chooses the topic of the semestral project in Biophysics / Medical Biophysics after consultation with teacher. Student submits the final topic of the semestral work to her / his teacher not later than in practical training during the 7th week of semester (30. 10. – 3. 11. 2017). Student submits the written as well as electronic version of semestral work to her / his teacher not later than in practical training during the 11th week of semester (27. 11. – 1.12. 2017). The electronic version of semestral work should be in the format doc or docx (MS WORD).

Structure of semestral work:
- Title page (see appendix)
- Structured abstract (max. 250 words)
- Key words
  1. Introduction
     - an overview of the current state of the topic
  2. Aim of the work
  3. Work methods and examined materials
     - What procedure you have chosen to fulfil the aim of your work? If your work is a review, the examined materials means information – where have you searched for information, what criteria have you used to select appropriate information, how have you processed them (comparison, analysis, evaluation, etc.)
  4. Results
  5. Discussion
  6. Conclusion
- Bibliography (Brief citation guide can be found at http://www.fmed.uniba.sk/fileadmin/lf/sluzby/akademicka_kniznica/ENGLISH/PDF/Brief_citation_and reference_guide.pdf)
- Attachments (You can add figures and/or tables, if necessary. It is necessary to cite source of all used figures and tables, if you are not their author.)

Extent of semestral work (chapters 1. - 6.) has to be 5 standard pages, i.e. 9 000 signs (± 10%). Use at least 5 sources of information, including at least 1 book (not obligatory textbook) as well as at least one journal article (electronic journals are permitted). Only sources published in English or Slovak languages will be accepted.

Examples of citations:

Article

Book

Internet: documents with no or anonymous author are not acceptable

Text layout
Use the page format A4, all margins 2.5 cm, line-spacing 1.5. Arrange text into block. Use font Times New Roman, size 12.

Bratislava, 14th of September 2017
